>livingarchive

This subcollection is a subcollection of the spiritualfrontiersarchive collection. It contains the component items of the Living Archive. The Living Archive is presented in its entirety in the Spiritual Frontiers App. In addition to linking to other components in other websites, the Living Archive contains some components, or items, that we store in the Internet Archive, using this subcollection, and the subcollections under it.

>>afterlife

This subcollection is a subcollection of the livingarchive subcollection. It contains all of the items in the afterlife area. This notably contains video .mp4 files of communications from the afterlife, conducted through trance mediums such as Elaine Thorpe.

>>notableauthors

>>sfachannels

Spiritual Frontiers Archive Channels are channels or categories of information items that are uploaded to become part of the Spiritual Frontiers Archive. For example, certain American metaphysical periodicals will be uploaded from the IAPSOP periodicals collection to become part of the Spiritual Frontiers Archive collection.

ascsiarchive

This is a subcollection of the spiritualfrontiersarchive collection. It contains all of the items in the ASCSI (The Academy). The Academy was established in 1972 as the Academy of Religion and Psychical Research (ARPR), an “academic affiliate” of SFF/SFFI, and then renamed and incorporated in 2006 as the Academy of Spirituality and Paranormal Research, Inc. (ASPR), and again renamed in 2012 as the Academy for Spiritual and Consciousness Studies, Inc. (ASCSI).

>ascsiperiodicals

This is the name of the subcollection holding all periodical items for the ASCSI subcollection, of all periodical types.

>>ascsjournal
